Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitalify and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.
Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted

merely for a HAIR DRESSING.

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambrie, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Ellious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other injured or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the acce districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obtinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasurated localities, will be protected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Edious Disorders and Liver Complaints, it is an excellent remedy, producing many truty remarkable cures, where other medicines had failed. Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world. As its name implies, it does Cure, and does not
